

**WE ARE EGG
SPECIALISTS**

ABOUT US

We are Netto Foods, the biggest egg processing industry in Latin America.

Founded in 2000, we have the highest quality standards required by customers and regulatory bodies.

Our mission is to be reference in food segment with focus on safety and quality of our products, continuously chasing excellence to exceed the expectations of the most important markets.

OUR PRODUCTION

With 2 Working Factories, 4 Logistic Centers and more than 450 employees, we process whole eggs, pasteurized egg yolks and whites, chilled, frozen or dehydrated, and specific blends for special products also.

We can process 5 million eggs a day. We're ready for the biggest and most demanding markets around the world.
